

some revenue. It will make money for the state and it is simply to move the A bill along at this time, so I would simply ask to advance the A bill.

SPEAKER BARRETT: Thank you. Senator Withem.

SENATOR WITHEM: Yes. Senator Hartnett, I have got a number of questions about this and a number of concerns about it and I probably wouldn't be standing here speaking if we hadn't, two years ago on a "trust me" sort of an arrangement on a revenue measure, ended up instituting for a nine-month period some sort of sales tax on services, and that troubled me greatly.
